**Step 1**  
Align the L-shaped side panel (1) on the short scratching board (4) and secure it with 2 screws (6).

**Step 2**  
Repeat this on the other side.

**Step 3**  
Attach the side panel (2) to the L-shaped side panel (1). Align the long scratching board (3). Do not tighten the screws yet.

**Step 4**  
Place the play ball (5) in the track and adjust the position of the long scratching board (3) so that it cannot fall out.

**Step 5**  
After adjustment, screw in 5 screws (6).

**Step 6**  
Turn the scratching board and attach the second side panel (2) to the scratching board using 5 screws.

**Step 7**  
Done! You can add the play-stimulating catnip and silvervine granulate for an extra dose of playtime fun.
