DE Sollte sich die Seitenwand nicht aufsetzen lassen, lockern Sie die an den Ecken vormontierten Schrauben dieses Elements.

EN If the side panel cannot be put on, loosen the screws of this element pre-mounted on the corners.

FR Si le panneau latéral ne peut être posé, desserrez les vis de cet élément prémonté au niveau des coins.

IT Se non si riesce a inserire il pannello laterale, allentare le viti premontate ai lati di questo elemento.

NL Wanneer de zijwand zich er niet op laat zetten, draait u dan de op de hoeken van dit onderdeel voor-gemonteerde schroeven losser.

SV Om sidopanelen inte kan fästas, lossa skruvarna på detta element förmonterade på hörnen.

DA Hvis sidepanelet ikke kan sættes på, kan komponentens for-monterede skruer løsnes ved hjørnerne.

ES Si no se puede colocar bien el panel lateral, afloja los tornillos de este elemento pre-montado en las esquinas.

PT Se não conseguir inserir o painel lateral, desapertar os parafusos deste elemento pré-montado nos cantos.

PL Jeśli boczna ściana nie daje się złożyć, należy poluzować śruby wstępnie zamontowane w jego narożnikach.

CS Pokud nelze nasadit boční panel, povolte šrouby tohoto prvku předmontované v rozích.

RU Если боковую панель закрепить невозможно, ослабьте винты, предварительно закреплённые на углах.
